Language Planning in Primary Schools in Asia Richard Baldauf,Robert Kaplan,Knonko Kamwangamalu,Pauline Bryant,2013-09-13 In foreign language education decisions must be taken on what languages to teach who will teach them in which schools i e all only urban only rural in which grades the number of hours a week and the cost involved This book explores the answers to these questions across a number of Asian polities It illustrates why some of the efforts undertaken are successful and why some are not why despite significant investments of time and resources some students do not seem to acquire the languages being taught and why some teachers responsible for instruction in the designated foreign languages have problems achieving fluency in the designated language or have other language teaching difficulties It suggests some strategies various polities might attempt to achieve their stated language learning objectives This book was originally published as a special issue of Current Issues in Language Planning

Language Choice in Postcolonial Law Richard Powell,2020-02-24 This book discusses multilingual postcolonial common law focusing on Malaysia s efforts to shift the language of law from English to Malay and weighing the pros and cons of planned language shift as a solution to language based disadvantage before the law in jurisdictions where the majority of citizens lack proficiency in the traditional legal medium Through analysis of legislation and policy documents interviews with lawyers law students and law lecturers and observations of court proceedings and law lectures the book reflects on what is entailed in changing the language of the law It reviews the implications of societal bilingualism for postcolonial justice systems and raises an important question for language planners to consider if the language of the law is changed what else about the law changes

Opening Repertoire The Sicilian Najdorf John Doknjas,Joshua Doknjas,2019-03-24 The Najdorf Sicilian is one of Black s most respected and popular responses to 1 e4 It was favoured by those two titans of the game Bobby Fischer and Garry Kasparov and in the modern game it features in the repertoire of many elite players This rich opening creates a wealth of opportunities for vigorous attacks causing most games to be tense and engaging The Najdorf is that very rare thing an opening for Black that is highly aggressive but is also recognised as being objectively sound In this book FIDE Master John Doknjas and

National Master Joshua Doknjas navigate through the main lines of the Najdorf and provide the reader with well researched fresh and innovative analysis Each annotated game has valuable lessons on how to play the opening and contains instructive commentary on typical middle game plans With thorough variations and explanations on pawn structures and piece placement this book provides insight to both strong masters and less experienced players alike The format is ideal for the chessplayer keen to improve their game While reading you are continually challenged to answer probing questions a method that greatly encourages the learning and practising of vital skills just as much as the traditional assimilation of chess knowledge Carefully selected questions and answers are designed to keep you actively involved and allow you to monitor your progress as you learn This is an excellent way to study chess while providing the best possible chance to retain what has been learnt

Reclaiming the Local in Language Policy and Practice A. Suresh Canagarajah,2005-01-15 This volume inserts the place of the local in theorizing about language policies and practices in applied linguistics While the effects of globalization around the world are being discussed in such diverse circles as corporations law firms and education and while the spread of English has come to largely benefit those in positions of power relatively little has been said about the impact of globalization at the local level directly or indirectly *Reclaiming the Local in Language Policy and Practice* is unique in focusing specifically on the outcomes of globalization in and among the communities affected by these changes The authors make a case for why it is important for local social practices communicative conventions linguistic realities and knowledge paradigms to actively inform language policies and practices for classrooms and communities in specific contexts and to critically inform those pertaining to other communities Engaging with the dominant paradigms in the discipline of applied linguistics the chapters include research relating to second language acquisition sociolinguistics literacy and language

planning The majority of chapters are case studies of specific contexts and communities focused on situations of language teaching Beyond their local contexts these studies are important for initiating discussion of their relevance for other different communities and contexts Taken together the chapters in this book approach the task of reclaiming and making space for the local by means of negotiating with the present and the global They illuminate the paradox that the local contains complex values of diversity multilingualism and plurality that can help to reconceive the multilingual society and education for postmodern times

Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
