Jill the Jellyfish

Jill was not like all of the other jellyfish. Jill hated
her tentacles. She hated that she hurt people and
other animals. Jill did not want to sting anyone.
But sometimes, when she swam by them, one of
her tentacles would get near a human or animal
and sting them. This made them so mad at Jill, but
Jill couldn't help it! Jill decided that she would only
play with other jellyfish for now. She knew she
couldn't play near the humans until she learned to
control her tentacles. Her sister
promised to help her learn how to
control them. She could not wait
to learn. She loved playing in the
waves near the humans, but she
didn't love hurting people.
